A. Kavya Reddy

Computer science student

PROFILE

I am Kavya, a Computer Science Engineering student with a strong interest in web development. I enjoy creating websites that look good and work well on all devices. I have experience with HTML, CSS, JavaScript, and tools like Git and React. I've built personal projects like a portfolio website, a landing page, and a calculator.
I am always eager to learn new technologies and improve my skills. I am looking for an internship or job opportunity where I can grow as a developer and work on real-world web projects.
